Objective

I love to modify games, 3d model, and 3d print. So, I am seeking an entry-level job that needs a front or back-end developer to exercise my creativity and development skills for future projects.

Education

Indian Hills Community College, Centerville, IA Computer Software Development
2023 – present

Technology Center of DuPage, Glen Ellyn, IL CIS, Robotics and Automation
2020 – 2022

Glenbard West Highschool, Glen Ellyn, IL Graduated (4.0 GPA)
2018 – 2022

Skills

---------------------------------------------------------------------------------------	-----------------------------------------------------------------------------------------

Achievements

Out of high school I graduated with a 4.0 GPA, where I was a part of the A team, a group of overachievers at a higher school offered by Glenbard West, the Technology Center of DuPage (TCD).

Graduating from TCD, I have obtained a certificate in Robotics and Automation and in Computer Information Systems and Game Design.
